

## Neighbourhood Partnership for Stoke Bishop, Westbury on Trym and Henleaze

### New Entrance into Canford Park

**Bristol City Council is pleased to announce that works are planned to start at the end of February 2015 to install a New Entrance to the Park. This entrance will be safer as it does not open directly onto the narrow pathway and will provide a more natural and attractive access from the village.**

**This work is part of upgrades provided by the Parks Stimulus Programme that has already delivered additional Play Facilities and New Fencing to the Park.**

**The New Entrance mirrors the proposal contained within the “BCC Area Green Space Plan, Ideas and Options Paper” consultation document and the “Management Plan for Canford Park” used in the Green Flag Application.**

**In addition, the Westbury on Trym Society is proposing to incorporate a set of gates into the New Entrance and they will be consulting with the local community to agree the design and, if necessary, to seek additional funding.**

**If you have any questions or comments regarding the New Entrance please contact Gary Brentnall at [gary.brentnall@bristol.gov.uk](mailto:gary.brentnall@bristol.gov.uk) or tel 01 179 224 716**
